

## *The Inaugural Gentry Showcase*

*Gentry Magazine* is pleased to announce our inaugural Gentry Showcase Home issue that is set to come out in February 2008. The Gentry Showcase Home publication will be the only one of its kind in the region for discriminating home and lifestyle aficionados.

Gentry Showcase Homes will exemplify more than just extraordinary home designs and floor plans—they will exude luxury living and lifestyle at its best on the Peninsula. The homes we select will feature innovative architecture, discerning finishes and furnishings, cutting-edge technology, entertainment-oriented surroundings, fresh luxury amenities, and sustainable development features.

We are launching our 2008 Gentry Showcase Home with a newly completed estate in Los Altos Hills, developed by Custom Dreams in Real Estate. The home features a “Nuovo Tuscan” design best described as tasteful Tuscan architecture with contemporary undertones. The property boasts a prestigious Los Altos Hills location while located within walking distance of downtown Los Altos. The home is situated on a resort-inspired venue ideal for relaxation and entertainment.

From the thoughtful floor plan and indoor/outdoor living spaces to the latest in one-touch technology, functionality, and broad sustainable building practices, the home radiates what a Gentry Showcase Home is all about: absolute attention to every detail, and the highest level of quality, craftsmanship, finishes, and amenities throughout. It’s more than just a home—it’s a lifestyle.

Be inspired at The Gentry Custom Dreams Showcase. Don’t miss this exceptional display of discerning Silicon Valley living.
